

Hi there, We are HYPPE.

# ABOUT HYPPE

---

HYPPE is an all-in-one Vape brand founded and popularized in the USA – with US Headquarters located in Los Angeles. Growing globally – the HYPPE team is present in the USA, EU, UK, and Asia. With long term industry experience, the founders of the company have seen the changes and progression in the vape marketplace since the early days of the industry – they bring their knowledge and professionalism to every product which bears the HYPPE name. HYPPE strives for constant innovation and product development to meet the consumers' needs while providing an alternative means of discontinuing combustible cigarette consumption effectively and pleasantly. With quality and safety at the forefront of the HYPPE mission, heavy investment has been made for in-house R&D and test-lab capabilities—all products strictly obey the PMTA standard from FDA and meet the TPD requirement in EU. As one of the top 3 ENDS brands in the nation, HYPPE is already available for consumer purchase in the USA in over 30,000 stores and many different online retailers. HYPPE prides itself on its proprietary e-liquid flavor combinations – unique to the brand .
